

## The ANNALS OF CARDIOTHORACIC SURGERY

**Manuscript Number:** \_\_\_\_\_

**Manuscript Title:** \_\_\_\_\_

**Corresponding Author's Name:** \_\_\_\_\_

**E-mail Address:** \_\_\_\_\_

This form must be completed and signed by the corresponding author on behalf of all authors.

### **COPYRIGHT TRANSFER AND AUTHOR DECLARATION STATEMENT**

The corresponding author of the article as specified within this documentation, hereby transfers copyright and assigns to the Annals of Cardiothoracic Surgery all rights of the submitted article (and any revisions or versions of it), for sole right to print, publish, distribute and sell the article in all languages and media internationally. The transfer of copyright is deemed in effect if and when the submitted article is accepted for publication. If the submitted article contains any material already protected by prior copyright, the corresponding author will deliver to the Annals of Cardiothoracic Surgery written permission from the copyright holder, for the reproduction of the material in this article.

The corresponding author certifies and warrants that he/she is the author and proprietor of the article and that he/she has not granted or assigned any rights of the article to any other person or body. The author warrants that the article is copyrightable and that it does not infringe upon any preexisting copyright, trademark or patent. The author warrants that the article does not invade the right of privacy of any person(s) or entity, that it does not include any defamatory contents and that all statements presented as facts are true or based upon accurate research. The author warrants that no procedure or treatment described within this article would cause injury, if followed in accordance with the instructions and warnings of the article.

The corresponding author will indemnify the Annals of Cardiothoracic Surgery against any costs, expenses or damages that the Annals of Cardiothoracic Surgery may incur, for which the Annals of Cardiothoracic Surgery may become liable as a result of any breach of these warranties. These may be extended to third parties by the Annals of Cardiothoracic Surgery.

- Does your article contain material from other copyrighted sources? *Yes* or *No*  
If yes, please attach relevant permissions.
- Does your article include pictures/videos, in which a person can be recognized? *Yes* or *No*  
If yes, please attach relevant release.

Representing all authors, the corresponding author confirms that the submitted article is an original work, without fraud or plagiarism; does not infringe on any copyright or other proprietary right of any third party; is not under consideration by another publication; and has not been previously published.

The corresponding author declares that all authors have made substantial contributions to all of the following parts of the manuscript:

- Research design, or acquisition, analysis or interpretation of data
- Drafting the manuscript or revising it critically
- Approving the submitted manuscript

The corresponding author agrees to communicate with all other authors and will obtain their approval for the final version to be published. The corresponding author also warrants that all authors have read the complete manuscript and understand that if the article or part of the article is found to be faulty or fraudulent; all authors are to share the responsibility. The corresponding author signs for and accepts responsibility for releasing this material, transferring copyright, and affirms that all conflicts of interest are disclosed below on behalf of any and all co-authors.

**Print Name:** \_\_\_\_\_

**Signature:** \_\_\_\_\_

#### **FINANCIAL DISCLOSURE/CONFLICT OF INTEREST STATEMENT**

I, the undersigned author, certify that the authors of the article have no commercial associations (e.g., consultancies, stock ownership, equity interests, patent-licensing arrangements, etc.) that might pose a conflict of interest in connection with the submitted article, except as disclosed on a separate attachment. All funding sources supporting the work and all institutional or corporate affiliations of the authors are acknowledged in a footnote.

**Signature:** \_\_\_\_\_

**Date:** \_\_\_\_\_

#### **STATEMENT CONCERNING WORK OF THE U.S. GOVERNMENT**

This is to certify that the work was written by an officer or employee of the U.S. Government as part of his/her official duties, and therefore, it is not subject to U.S. copyright. The Statement must be signed by an authorized government agency representative and by all authors who are officers or employees of the U.S. Government and who prepared all or part of the work as part of his/her official duties.
